

Manufacturing Notice

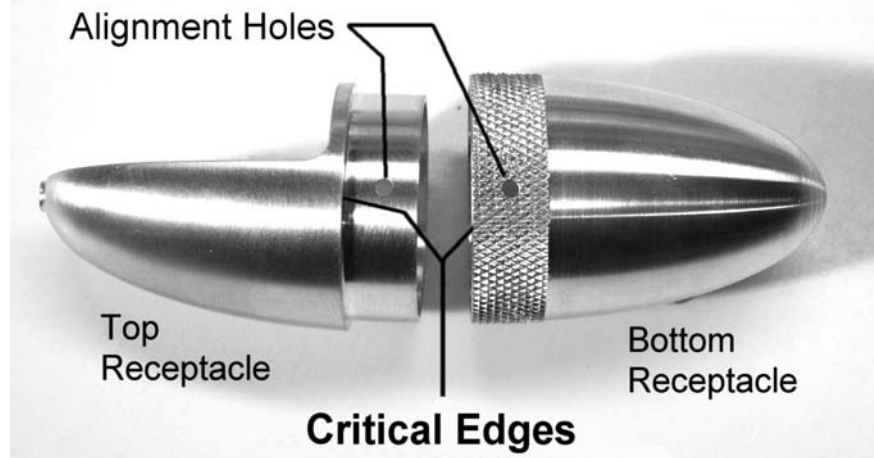

Name:	Final Finish on Vertical Mount Ashtray Receptacle
-------	---

To:	Final Finish Vendor
-----	---------------------

Affected Parts:	All Vertical Mount Ashtrays (VMA).
Part Names:	Top and Bottom Receptacles

Notice:

IMPORTANT PLATING INFORMATION

Final finish build-up on critical edges must be minimized to allow Receptacles to fit together so holes are aligned.

Manufacturing Notice

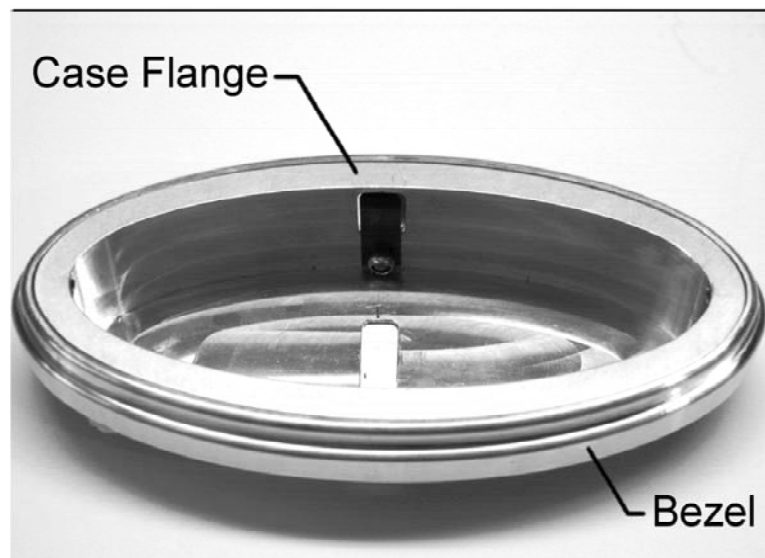

Name:	Final Finish on Vertical Mount Ashtray Case & Bezel
-------	---

To:	Final Finish Vendor
-----	---------------------

Affected Parts:	Vertical Mount Ashtrays (VMA) P/N's A0.38BLK-4 & A0.50BLK-1.
Part Names:	Bezel and Case

Notice:

IMPORTANT PLATING INFORMATION

Bezel must fit flush down inside the recess on the Case Flange.

Maximum final finish thickness on the edge of the Bezel or on the inside of the recessed area of the Case Flange to be no greater than 0.005". Remove any localized buildup or pooling of final finish on edges or in corners.
